1 County totals for HIV and AIDS do not include persons living in correctional facilities and institutions at the time of diagnosis. Cumulative HIV cases may show declines from prior years due to their reclassification as AIDS cases.

2 1999 and 2000 data in this category are not comparable to prior years due to changes in rules for selecting and classifying causes of death.

Statewide, regional, county, and category totals may not match due to non-inclusive categories, incomplete data, and services to Missouri non-residents.
